PCN # 983201

Notice of Obsolescence

Alliance Graphics Products

ProMotion 6422, AT24, AT25/AT3D

To: Alliance ASMs, Sales Representatives, Distributors, and Customers

Alliance is formally discontinuing production of all graphics accelerators and MMUI products. The following part numbers are affected:

ProMotion 6422

ProMotion AT24

ProMotion AT25/AT3D

The decision to terminate production of these devices reflects market conditions and continued low profitability.

Customers must place last-time buy orders through normal sales channels to support their production needs. The deadline for last-time buy orders is thirty (30) days from the release date of this notice.

Alliance reserves the right to refuse any orders placed after the thirty (30) day window. Orders will be served on a first come, first served basis. All purchase orders are non-cancelable, non-reschedulable and non-returnable. Product shipments should be scheduled between August 15, 1998 and September 30, 1998.

Alliance cannot provide information regarding alternate sources for these types of products at this time.

Inquiries regarding product availability, pricing, policy and other issues should be forwarded to the local sales representative or Alliance office.
